

Modification No. 7
To
Basic Ordering Agreement No. 26389-001-01 48

Introduction

Whereas, Basic Ordering Agreement (BOA) No. 26389-001-01 48 was entered into by and between Sandia National Laboratories on behalf of the Department of Energy (DOE) and Integrated Contractor Purchasing Team (ICPT) and Hewlett-Packard Company.

From hereinafter, Basic Ordering Agreement (BOA) is entered into by and between Sandia National Laboratories on behalf of the Department of Energy (DOE) and Integrated Contractor Purchasing Team (ICPT) and Hewlett Packard Enterprise Company.

Whereas, in consideration of the mutual covenants and agreements, Modification No. 7 hereby modifies and amends the terms and conditions of the DOE-ICPT Basic Ordering Agreement as follows:

1. Agreement

All references to "Hewlett-Packard Company" shall hereby be changed to correctly reference "Hewlett Packard Enterprise Company," and all references to "HP" shall hereby be changed to "HPE."

2. Article 1 – Scope of Work is hereby changed to read:

This Basic Ordering Agreement establishes the basic terms and conditions of this nonexclusive BOA, to govern Orders from any authorized DOE site for HPE products.

All orders placed hereunder shall reference the number of this BOA (26389-001-01-48) as required. The term of the BOA is June 1, 2001 through September 30, 2017.

The Contractor shall be entitled to purchase goods and services available in HPE's GSA schedule contract (GS-35F-025DA), as well as non-GSA (open market) items. For products that are on HPE's GSA schedule, the BOA prices shall be equivalent to HPE's GSA prices at the time of shipment. Non-GSA (open market) items shall be at the prices indicated on the HPE quotation. The pricing which is proprietary to HPE can be obtained by contacting the HPE representative. If HPE's GSA price or open-market list price decreases, HPE will automatically capture the price decrease for ICPT for any orders not

yet shipped. If HPE or the Contractor find any situations in which HPE's GSA price is better than ICPT, HPE and the Contractor will negotiate an adjustment and correct the situation to ensure that BOA pricing does not exceed HPE's GSA price at the time of order shipment.
