

Small Business Concern

For this strategic agreement CDW•G has assembled a diverse team of four small businesses to address the Small Business concerns detailed in section 2.3 of the RFP. CDW•G confirms that our proposed pricing allows our small business partners to sell to DOE Contractor's at the ICPT agreed upon pricing.

Should a DOE Contractor request or require a specific small business partner, outside of our Federal Partner Network, CDW•G would reserve the right to re-negotiate the pricing Terms and Conditions for that recommended partner with the ICPT.
