

LICENSE AGREEMENT FOR PROPRIETARY SOFTWARE (10/03)

_____, Operator of _____ Laboratory ("Laboratory"), operating under Prime Contract _____ with the U. S. Government ("Government"), represented by the U. S. Department of Energy ("DOE"), desires certain rights in and to existing software and related documentation and manuals identified as: _____ ("Proprietary Software").

_____ ("Licensor") avers ownership or control of the Proprietary Software.

This License and the provisions of Basic Ordering Agreement General Terms and Conditions for Commercial Items and Services DOE Contractors (xx/xx) ("BOA"), which are incorporated herein by reference, constitute the entire agreement of the parties with respect to the subject matter hereof.

Licensor grants to the Laboratory and its successors and DOE a paid-up, non-exclusive license to use and have used the Proprietary Software in connection with work being conducted by and at the Laboratory in accordance with the terms and conditions contained herein.

This License incorporates a certain clause by reference. This clause applies as if it is incorporated in its entirety. For the Federal Acquisition Regulation (FAR) provision incorporated by reference, "Contractor" shall refer to Licensor, and "Government" shall refer to Laboratory and DOE. The FAR clause may be obtained from the Laboratory upon request.

The following clause is incorporated by reference:

FAR 52.227-19 Commercial Computer Software – Restricted Rights (June 1987)

This License is effective from the date hereof and remains in effect until the Laboratory and DOE discontinues the use of Proprietary Software, or expiration or termination of the License under the BOA. Upon termination of this License, the Laboratory and DOE will return or destroy the Proprietary Software with all existing copies thereof, except that the Laboratory and DOE may keep a copy for archival purposes. Licensor agrees to make available to the Laboratory, for a reasonable service charge, any announced updates of the Proprietary Software.

For a period of five (5) years from the signature date below, the Laboratory and DOE shall utilize best efforts to prevent unauthorized disclosure of the Proprietary Software that has been identified and marked with the Restricted Computer Software Notice of FAR 52.227-19. The obligation to restrict disclosure of the Proprietary Software shall not extend or apply to Proprietary Software which now or hereafter: (i) is generally known or available from other sources without obligation concerning its confidentiality; (ii) has been made available by Licensor to others without obligation concerning its confidentiality; (iii) is already available to the Laboratory or DOE without obligation concerning its confidentiality; or (iv) is required to be released pursuant to law or regulation.

IN WITNESS WHEREOF, the parties have executed this License as of the signature date below.
