

Modification No. 13
to
ICPT Basic Ordering Agreement (BOA) No. SLAC-BOA-003-03-2014
between
SLAC National Accelerator Laboratory
On Behalf of ICPT for the Department of Energy
and
Government Scientific Source, Inc.

The parties agree to modify Modification No. 4 of the ICPT Basic Ordering Agreement (BOA) in the following particulars only:

This change order is issued pursuant to Article 16, Changes, in the General Terms and Conditions for Commercial Items and Services DOE Contractors (06/12).

Effective: March 9, 2020

1. The price for the bulk gases is agreed to be an added 12% mark-up to the negotiated landed cost between the manufacturer or distributor and GSS. The price for the chemicals is agreed to be an added 42% mark-up to the negotiated landed cost between the manufacturer or distributor and GSS. The mark-up consists of all costs associated with Operational Services, including personnel, vehicle, warehouse, transportation, hardware/software and any other miscellaneous costs associated with supporting the Statement of Work. The price will be reviewed and negotiated between SLAC and GSS annually in FYQ1 based upon the previous fiscal year actual cost and price data.

Except to the extent changed by this Modification or to the extent rendered inconsistent herewith, all of the terms and provisions of this ICPT Basic Ordering Agreement remain unchanged and continue in full force and effect.
