

Attachment E
Ansys Approved Small Business Reseller

In addition to direct sales under this agreement, there are cases in which DOE laboratories have a pre-existing relationship with one of the resellers listed below. Ansys solutions may be ordered from the BOA through the reseller if the laboratory has such a pre-existing relationship.

Note: In the absence of such a pre-existing relationship between the DOE laboratory and a re-seller listed below, Ansys solutions available through the BOA may only be ordered directly through Ansys and its subsidiary Ansys Government Initiatives (AGI).
