

Attachment A – Siemens EDA Software

Eligible Siemens EDA Software:

Discounts in Attachment B apply to the then current price list for the eligible Siemens Industry Software, Inc. (“SISW”) EDA software platforms below. SISW hardware, Intellectual Property, Embedded Platform Solutions, and any non-EDA product are not eligible for these discounts. For the avoidance of doubt, the BOA will not apply to any Customer order placed with a distributor.

EDA Software Platforms:

Calibre

Questa

OneSpin

Tessent

Xpedition

Hyperlynx
